# Polsinelli Principal Jacek Wnuk Recognized Among Top 40 Young Lawyers by American Bar Association

(June 6, 2024) Am Law 100 firm Polsinelli is pleased to announce that Principal Jacek Wnuk has been recognized as an **American Bar Association's 2024 On the Rise – Top 40 Young Lawyers Award** honoree. The annual award provides national recognition for 40 ABA young lawyer members who exemplify a broad range of high achievement and legal and community service.

Jacek Wnuk is a registered patent attorney who serves as a strategic and technical advisor to entrepreneurs, inventors, and in-house counsel across businesses in multiple industries. He specializes in helping startups grow and scale their innovation pipelines. Before becoming an attorney, Wnuk worked as an engineer developing hardware and software for self-driving cars as part of the U.S. Dept. of Defense's Defense Advanced Research Projects Agency (DARPA) Grand Challenge. He has written and prosecuted hundreds of issued patents and advises clients on IP portfolio strategy, standard essential patents, freedom to operate, infringement, and licensing. Jacek has technical expertise in fields such as artificial intelligence, machine learning, robotics, drones, aerospace, augmented reality, 5G cellular networks, optics, video coding, semiconductors, biosensors, medical devices, cryptography, and clean energy.

Wnuk completed his B.S. in Electrical Engineering & Computer Science at UC Berkeley before receiving his J.D. at Loyola Law School Los Angeles. He has spoken at numerous continuing legal education (CLE) events organized by the Bar Association of San Francisco (BASF) and has also been recognized by Best Lawyers: Ones to Watch® in America (in the areas of Patent Law and Intellectual Property Law) and Super Lawyers® Rising Stars.

Polsinelli's Intellectual Property Department ranks nationally in Tier 1 for Patent Law, Trademark Law and Litigation – Intellectual Property in the 2024 "Best Law Firms®" list by Best Lawyers®. As one of the largest IP practices in the nation, Polsinelli has a deep bench of attorneys, patent agents, scientists and other professionals who oversee some of the most complex issues facing technology and high-tech companies, bioscience and life sciences companies, animal science, medical device, pharmaceutical, chemical, software, and business methods.
