

Polsinelli Represents Endolith in \$5.13 Million Series Seed Financing

BOSTON (September 5, 2024) Polsinelli congratulates its client Endolith (endolithmining.com), on its \$5.13 million Series Seed financing. Endolith is helping miners extract more copper from their mines using microbial communities, synthetic biology techniques, and a cloud-native platform.

The funding, led by Collaborative Fund and Overture with contributions from Grok Ventures, Nomadic Venture Partners, and Nucleus Capital, will accelerate the scaling of Endolith's technology and push to field deployment. Endolith is focused on tackling the global copper shortage head on through "transforming microbes into Olympic-caliber athletes."
