

Polsinelli Online Solutions for Home Care Announces New Relationship with the California Association for Health Services at Home

(Dec. 11, 2024) [Polsinelli Online Solutions for Home Care LLC \(POSH\)](#), an online compliance platform that offers home-based care providers a source for industry-specific guidance and state-specific forms and documents, has entered into a referral relationship with the California Association for Health Services at Home (CAHSAH), a nonprofit association representing California's licensed home health, home care and hospice providers across the state to better support CAHSAH members.

CAHSAH members will now have preferential rates for POSH, which equips subscribing home-based care providers with a comprehensive set of current forms, tools and resources. These resources cover federal, state and local levels to ensure compliance with the industry's nuanced regulatory and legal requirements. Polsinelli will also be supporting CAHSAH members in 2025 by presenting a series of webinar and serving as faculty for CAHSAH's Annual Conference and Expo on May 19-22, 2025, and Home Care & Hospice Administrator Certificate Program on August 19th-22nd, 2025.

"We're thrilled to deepen our partnership with CAHSAH by expanding member access to POSH," said Angelo Spinola, Executive Director of POSH. "Together, CAHSAH's dedication to supporting the home-based care industry and our POSH platform will help ensure agencies have the tools and resources they need to remain compliant in the ever-changing legal and regulatory landscape."

"We are pleased to provide our members with access to the POSH compliance tool," said Dean Chalos, CAHSAH's President & CEO. "We have worked with Angelo Spinola and the Polsinelli team for many years and we appreciate their support of our industry and service to home care, home health and hospice agencies across California."
