

# Polsinelli Advises SonderMind on 50-State Rollout

**(April 14, 2025)** Polsinelli is pleased to announce that firm client SonderMind, a leader in innovative mental health care backed by a network of over 12,000 providers, has now expanded its mental health therapy services to all 50 states.

To achieve this milestone, Polsinelli provided strategic legal counsel to SonderMind, guiding the company through the complex regulatory landscape of health care laws across the United States. The firm advised SonderMind on corporate structuring, health care licensing, provider scope of practice and telehealth regulations, ensuring a seamless nationwide expansion.

This nationwide rollout ensures that individuals across the U.S., including veterans and Medicare members, can access timely, affordable and effective mental health support.

Polsinelli's work on this expansion was led by Health Care Shareholder Kathleen Snow Sutton and included Shareholder Ryan B. Thurber and Associate Colleen E. Guinn. This multi-year project was further supported by a broader team of attorneys across Polsinelli.
