

What a law firm
should be.™

Polsinelli Recognized by BTI Consulting Group Among Most Recommended Law Firms for the Pharma Industry

(May 7, 2025) Polsinelli is pleased to announce that it has once again been recognized in the 2025 edition of BTI Consulting Group's *Most Recommended Law Firms guide*. Named a leading law firm in the rankings by industry guide, Polsinelli earned a place among the top 18 firms for the pharmaceutical industry.

BTI's annual report is based on more than 300 in-depth interviews with top legal decision-makers at the world's largest organizations. Firms recognized were identified as those best suited to meet the unique needs and challenges of clients across the highly complex pharmaceutical landscape.

Polsinelli's multidisciplinary **Life Sciences Practice** provides clients with a full-service approach through every lifecycle stage and can serve as outside counsel for any legal need including those unique to the industry. Attorneys in the group understand the complexities characteristic of life sciences companies and work efficiently and effectively to meet their business needs. Polsinelli delivers a coordinated and tailored approach for any client from incubators to mature businesses, research organizations to individual scientists.
