

Six Polsinelli Litigation Practices Earn National Recognition from BTI Consulting Group

(Sept. 19, 2025) Polsinelli is pleased to announce that it has once again been recognized in six categories in BTI Consulting Group's [2026 BTI Litigation Outlook guide](#).

Continuing to be recognized among top Intellectual Property Litigation firms, Polsinelli received a "Distinguished" ranking and is among the top 12% of all firms in this category. Additionally, Polsinelli was recognized with a "Standout" ranking in the following BTI Litigation categories: Product Liability Litigation, Commercial Litigation, Complex Commercial Litigation, Class Action and Cybersecurity Litigation.

The annual report by BTI Consulting Group is based on an in-depth survey of several hundred corporate counsel and leading legal decision makers. The guide includes a comprehensive analysis of client spending, goals and challenges for the coming year.

With a team of over 90 [commercial litigation](#) attorneys, Polsinelli's litigators are strategically positioned in offices from coast to coast to provide clients with nationwide support and counsel. Polsinelli's litigators actively collaborate with other firm attorneys from nationally recognized practice groups including Financial Services, Securities and Corporate Finance, Real Estate Transactions, Commercial Contracts and Technology to provide comprehensive services for their clients. The firm's [litigation practice and litigators](#) have earned national and regional recognition from leading publications including Chambers USA, Benchmark Litigation, Best Lawyers, Daily Journal and Best Law Firms.

Polsinelli's [Intellectual Property Litigation Practice](#) takes creative and strategic approaches to resolving intellectual property disputes for local, regional, national and global companies and individuals. The practice is nationally ranked in the 2024 edition of Best Law Firms by *Best Lawyers* as a Tier 1 firm for Litigation-Intellectual Property. Polsinelli's trial attorneys are also ranked among the top 1% of Best Performing Law Firms Overall (representing defendants or plaintiffs) by Patexia Patent Litigation Intelligence Report.

Polsinelli's [Products Liability & Toxic & Mass Tort](#) litigators have deep experience defending and protecting our clients against defective design, defective manufacturing, premises liability, catastrophic injury and toxic exposure claims that oftentimes go to the heart of our clients' businesses. They assess cases early, identifying potential risks and working with our client's legal, business, technical and regulatory teams to craft effective litigation strategies.

Polsinelli's [Products Liability Life Sciences](#) litigators have significant experience defending clients in high-profile products liability, mass tort and consumer class action litigation across the country in the life sciences industry. Backed by a full-service firm with a deep bench and decades of trial practice, the Products Liability Life Sciences team has successfully defended clients in numerous federal multidistrict litigation (MDL) matters, statewide coordination and consumer actions of significant public interest garnering national media attention.

Polsinelli's cross-disciplinary, nationwide [Privacy Litigation](#) team draws on deep experience across a number of industry verticals and consistently secures excellent outcomes for companies facing contested

proceedings on privacy and security issues. Polsinelli's privacy litigators are experienced both in counseling clients on the protection of personal information and guiding them through the aftermath of data incidents potentially impacting that information. The team works hand-in-hand with Polsinelli's cyber incident response attorneys to provide a seamless, collaborative experience for our clients facing the multi-front challenges of a significant privacy or security incident.
