

Environmental Team National Experience

Polsinelli’s national Environmental team assists clients with all aspects of environmental law.

Our attorneys have advised on environmental issues in corporate and real estate transactions in **35 of the 50 U.S. states**. The map showcases states where Polsinelli’s Environmental lawyers have:

-  **REMEDIATION**
Advised clients on navigating federal and state cleanup programs
-  **REGULATORY & ENFORCEMENT**
Advised on federal and state enforcement actions, regulatory compliance and facility self-audits
-  **REMEDIATION AND REGULATORY & ENFORCEMENT EXPERIENCE**
Advised on both remediation and regulatory and enforcement matters
