

Polsinelli Advises CRA in Acquisitions Expanding National Waste Equipment Leasing Platform

(Aug. 19, 2026) Polsinelli recently represented Compactor Rentals of America, LLC (CRA), a national waste compactor and baler leasing platform and portfolio company of Kinderhook Industries, in its acquisitions of Reddy Equipment and Diamond Compactor Rentals.

The acquisitions represent another step in CRA's continued expansion as it builds a scaled, independent platform serving customers across the waste compactor and baler leasing sector. Reddy Equipment brings more than 40 years of experience serving customers in Northeast Ohio, while Diamond Compactor Rentals has operated in Central Illinois for nearly four decades.

"Our work with CRA is a strong example of Polsinelli's nationally recognized private equity practice at work, combining deep transactional experience with a practical understanding of our clients' businesses and the responsive service that distinguishes our firm," said Polsinelli Shareholder Paul J. Jaskot, who led the firm's deal team. "That combination allows us to help private equity clients execute complex transactions while keeping their broader growth objectives in focus. We are proud of what our team continues to achieve for clients like CRA and of the role we play in supporting their continued growth."
