

Polsinelli Named Finalist for Legal Services Innovation in 2026 American Lawyer Industry Awards

(Aug. 26, 2026) Polsinelli is pleased to announce that the firm has been named a finalist for the **2026 American Lawyer Industry Awards** in the Legal Services Innovation category, adding to a growing list of national recognitions for the firm's approach to innovation, technology and legal service delivery.

The recognition follows continued investment by Polsinelli in technology and new service delivery models designed to make legal work more efficient, practical and valuable for clients. Polsinelli's recent innovation efforts include the firmwide implementation of ChatGPT and Thomson Reuters CoCounsel, expanded integration of Fortress AI across practice-specific workflows, alongside targeted solutions for its Venture Capital & Emerging Growth Companies, Intellectual Property Patent Prosecution and Litigation and Real Estate Practices.

Those efforts build on significant recent industry recognition. Polsinelli was named Innovative Firm of the Year: North America and Emerging Technology Firm of the Year: North America at IFLR's 2025 Women in Business Law Awards. The firm was also named to the BTI Law Firm Innovation Icons 2025 guide and won Best Legal Innovation at ALM's *Daily Report* 2025 Southeastern Legal Awards. Most recently, Polsinelli, in collaboration with Project Fortress, was named a finalist for the ILTA 2026 Trailblazer Award, part of ILTA's Distinguished Peer Awards.

The *American Lawyer* Industry Awards recognize outstanding achievements across the legal profession, including work that advances how law firms serve clients and operate their businesses.

The 2026 finalist recognition further reflects Polsinelli's continued focus on pairing legal experience with technology, process improvement and new approaches to delivering client value.
