

Health Care Mergers & Acquisitions

Polsinelli's health care mergers and acquisitions team helps buyers, sellers and investors close deals, ensure compliance and unlock post-closing value. Powered by one of the nation's elite health care practices and consistently ranked among the most active M&A teams in the industry, we seamlessly align corporate, regulatory, reimbursement, real estate and operational counsel to drive speed, efficiency and closing certainty across transactions.

Twice recognized as Health Care Law Firm of the Year by *Best Law Firms* and nationally recognized as a top 10 Most Active Law Firm by *PitchBook*, we advise on hundreds of mergers, acquisitions, joint ventures, recapitalizations and other strategic health care transactions each year. From entrepreneurs to private equity sponsors, publicly traded companies to nonprofits, clients trust us to help them scale, innovate and get deals done.

Regulatory Strategy in Every Stage of the Deal

With unmatched deal volume, deep regulatory insight and an unwavering commitment to client service, Polsinelli is your partner in strategic health care growth. We embed regulatory strategy at every stage of the transaction lifecycle to help protect your investment and accelerate your path to growth. Our team:

- Structures transactions to minimize regulatory delays and maximize post-acquisition reimbursement opportunities.
- Conducts targeted health care regulatory due diligence and resolves compliance issues in real time to keep deals moving.
- Supports post-close integration to align operations, ensure ongoing compliance and enhance profitability.

Health Care M&A Experience Across Sectors

Our experience spans both emerging and established markets, grounded in a nuanced understanding of each sector's regulatory, operational and business challenges.

We offer strategic guidance across the health care continuum, with strength in the sectors shaping today's landscape:

- Hospitals and Health Systems
- Home Health, Hospice and Home Care
- Behavioral Health
- Long-Term Care
- Professional Practice Management
- Pharmacy

Whether the market is shifting or scaling, we help clients anticipate change — and grow through it.
