Jackie Jeschke focuses on a variety of complex business transactions and corporate matters. Working closely with Polsinelli attorneys, she advises clients throughout all phases of their business's life cycle, including formation, corporate governance, raising capital, and executing strategic mergers, acquisitions and divestitures.

Prior to joining Polsinelli, Jackie gained valuable experience in the health care industry as a strategic and transactional consultant—working with hospitals and health systems on strategic planning, mergers, hospital operations and transition planning, clinically integrated networks, ACO development and population health initiatives. This background gives Jackie a unique perspective on mergers and acquisitions within health care and otherwise, allowing for tailored, strategic guidance throughout the transaction process. Jackie is committed to delivering value by merging legal experience with industry-specific insights to drive successful outcomes for clients.
