Kathy Schaeffer is committed to helping clients deliver high-quality care while maintaining regulatory compliance in an evolving health care landscape. She advises hospitals, physician groups, health systems and other health care providers on a broad range of operational and regulatory matters. Kathy's practice focuses on compliance with federal and state health care laws, including HIPAA, the Stark Law, the Anti-Kickback Statute and state licensing regulations.

With a strong foundation in health care law and a practical understanding of provider operations, Kathy supports clients in navigating day-to-day legal challenges such as medical staff governance, provider contracting, telehealth implementation and policy development. She also assists with internal compliance reviews and responses to regulatory inquiries.
