Pete Vincent brings a business-focused approach to his practice in the regulatory, fundraising and transactional aspects of securities laws. Pete's practice is centered on the formation and management of private investment vehicles, including private equity, hedge, co-investment, seeding and hybrid funds. Pete regularly represents institutional investors and family offices in structuring private equity investments as well. From established institutions to sponsors seeking to launch their first project, clients look to Pete for solutions and guidance through all stages of development. Pete draws upon his experience with public and private securities and financing matters to benefit the clients he serves.

Pete routinely represents both sponsors of investment vehicles and investors targeting a variety of commercial real estate sectors, including:

- Lodging and hospitality
- Multi-family and mixed-use properties
- Student housing
- Industrial
- Medical and senior-living centers
- Opportunity zones

Pete has experience in various securities compliance and general corporate matters, including:

- SEC and state-level registration of securities offerings
- The Investment Company Act of 1940 and related exemptions
- The Investment Advisors Act of 1940
- General corporate governance
