ASSOCIATE

Houston, TX | 713.374.1622

preed@polsinelli.com

Phillip Reed advises clients on patent prosecution and portfolio strategy, with a focus on complex electrical and computer engineering technologies.

He has experience drafting and prosecuting patents for Fortune 100 companies across a range of innovations, including communication networks, integrated circuits, display technologies, signal processing and power systems. Clients turn to Phillip for practical, technically fluent guidance on protecting innovation at scale.
