

Therese A. Hendricks

SENIOR PARTNER

Boston, MA | 617.406.0435

thendricks@polsinelli.com

Therese Hendricks implements successful IP strategies for clients, especially start-up and medium-size companies in which the company value largely depends on new technology.

She manages worldwide patent and trademark prosecution, prepares clearance opinions, counsels on IP licensing, provides diligence assessments (for acquisition and funding), and manages and supports opposition proceedings and IP litigation.

With electrical engineering and material science degrees and a post-baccalaureate degree in computer science, Therese covers multiple areas of technology including:

- Software
- Computer hardware and networking
- Mobile communications
- Data storage
- Internet-based businesses and technologies
- Electronic components and control systems
- Injection molding and plastic packaging
- Organic/inorganic material processing
- Medical devices and manufacturing
- Consumer products
