Zachary Dyer offers practical advice and solutions for insurance industry clients and other entities dealing with this highly specialized field. He represents the interests of insurance and reinsurance companies, producers, MGAs/MGUs and third-party administrators on a full range of corporate, transactional and regulatory matters including:

- Multi-state insurance regulatory and corporate matters
- InsurTech matters
- Company formation, structuring, capitalization and licensure
- Insurance Holding Company Act compliance
- Mergers and acquisitions and joint ventures
- Reinsurance arrangements and sales of blocks of business
- Restructuring alternatives, including mutual holding company reorganizations and demutualizations
- Product development and regulatory approval
- Financial and market conduct examinations
- Surplus lines matters

Zach also advises clients on the strategic design, formation, and implementation of alternative risk transfer structures, including captive insurance and reinsurance arrangements, risk retention groups (RRG) and risk purchasing groups (RPG).
